

Warrington Disability Partnership Annual Report 2018

Giving Disabled People
Hope & Opportunity

Introduction

Chairman and Chief Executive's Report

What an incredibly busy year, against the odds we launched two new services, the Smart Flat Assistive Technology Centre, located on our Beaufort Street site, and an Information, Advice, Guidance and Sales Centre located in Warrington Hospital. We also launched several new partnerships; the most exciting, with Leigh based Expanse Learning.

We are enormously grateful for the continuing dedication of our team that includes our volunteers, staff, trustees and non-executive directors at Warrington Disability Partnership and our social enterprise the Disability Trading Company. We know from feedback we receive from customers and partners that our work helps to enhance the lives of tens of thousands of disabled people; locally, regionally, nationally and internationally. Giving hope and opportunity to disabled people remain at the heart of our work; our most successful community engagement programme so far provided connectivity, insight and momentum that guided our approach to enriching the lives of those we support.

Although we continue to endure a tough financial climate, we are extremely pleased to report that our positive financial performance remains steady and in line with our business plan. This is testament to the hard work of our team, who have worked with us during further change and reductions of non-pay costs. We also increased income from our retail operations as we extended our offer with interest free credit, 3 months free insurance, and an extended range of products, helped when we secured national Motability accreditation.

Huge thanks to our corporate and individual donors, including the Holroyd Foundation, St George Healthcare Group, St Mark Universal Copts Care, Expanse Learning, NRS Healthcare, Protive Security, BAS (NW), Pennington, Today Team, Royal Mail, Birchwood and Warrington Lions Clubs, and Chester University (Warrington Campus). Some went to extraordinary lengths to raise funds for our Legacy Appeal, which continues to support jobs for young disabled people.

With the support of our partners at St Mark Universal Copts Care, the Phoenix Project continues to deliver equipment to projects in Egypt, Thailand and Syrian refugees in Greece. Thanks to all of our sponsors led by St George Healthcare Group and St Mark Universal Copts Care without whom we could not have ran our 27th annual Disability Awareness Day, which influenced events around the world including India, Uganda and Cameroon. Did you know that over £1million has been raised by local charities that have attended DAD events?

One area worthy of a special mention is our increased media presence, two industry-leading magazines Thiis and AMP carried a number of articles on our services. Our hashtag #DAD2018 trended number two regionally, only beaten by the World Cup Final.

We had success in a number of local, regional and national awards including Warrington Business Awards, North West Charity Awards, AMP Awards and BHTA Awards, and we have been shortlisted for a Cheshire High Sheriff's Enterprise Award 2019.

The Charity Governance Code has been a key element of work with our Board of Trustees this year. We were pleased to have received reaccreditation for our Information, Advice and Guidance services by being awarded the Matrix Quality Standard for a further 3 years.

Looking ahead, we have initiated discussions that could result in WDP leading the development of a National Disability Museum here in Warrington. We have already received solid interest from several national organisations. Our ambition is to see building work start in 2021, the year of our 30th anniversary.

Finally, we would like to thank everyone involved in 'Team WDP/DTC', our partners, our funders, supporters, service users and customers. We look forward to increasing our positive impact on the lives of disabled people throughout the year ahead.

Thank you.

Who we are and what we do

Warrington Disability Partnership (WDP) is an internationally acclaimed user led charity. With over 27 years' experience of developing and delivering mobility and independent living services, our aim is to support disabled people and people living with long term health conditions. We are proud of our wide-ranging services, currently 27 in total, which include:

Promoting Independent Living

Visit our Centre for Independent Living (CIL) - located on Beaufort Street, the Disabled Living Centre at the Lifehouse on Brunswick Dock, Liverpool our Mobility and Independent Living Solutions Store in Golden Square, Warrington to see all the latest equipment from baths, showers and kitchens to beds, wheelchairs and stair lifts, plus so much more as well as a short term hire service for various equipment including wheelchairs and scooters.

Our Shopmobility Scheme in Legh Street Car Park, Warrington offers both scooters and wheelchairs for use within the Town Centre. They are available for hire to both members and day visitors, Monday to Saturday (9am to 5pm).

A six-month membership costs just £10.

Our popular Disability Helpline (01925 240064) offers advice and support around local support groups and services, access, transport and much more. The OWCH Pain Management and Beyond the Scars support groups help and support local disabled people in relation to the self-management of Chronic Pain.

Our Independent Living Team specifically provides a support service for Warrington residents who use the Direct Payments scheme from Warrington Borough Council, assisting with all aspects of employing a Personal Assistant (including assistance and advice in relation to recruitment, DBS checks, pension schemes and contracts, with support from our in-house payroll team).

The Disability Trading Company Limited

WDP's trading arm – Disability Trading Company (DTC) offers high-quality independent living products at competitive prices. Running as a Social Enterprise, all profits are donated to WDP to support many of our unfunded services. For details of the services offered through the trading arm, please see page 5.

Employment Support

Our award-winning Employment Team is proud to specialise in supporting local disabled people with a health condition (including mental health); ESA claimants and those in receipt of incapacity-related benefits. The team support individuals throughout all stages of the employment process; job searching, CVs, application forms or preparing for interviews through one-to-one support and weekly drop-in sessions. We support people who are in work, as well as employers by giving information about reasonable adjustments in the workplace.

Learning and Development

Visit the Marjorie Griffiths Learning Centre (MGLC) on Beaufort Street and take advantage of a whole host of courses, which are designed to not only educate, but also inspire. These include 'Computers for the Terrified', OCR qualifications, pre-employment IT, flower arranging and creative writing.

Additional training including 'Disability Confident and

'Disability and Sex Matters' training are regularly available for health and social care providers, voluntary organisations and individuals.

Accessible Holidays & Days Out

Our fully accessible holiday homes in Pensarn and Rhyl, North Wales and our adapted, wheelchair-accessible narrow boat 'The Wizard', are available for hire at competitive rates – leaving you to enjoy a bargain break or day out on the water!

Opportunities to Socialise

We run a variety of Luncheon Clubs for individuals who are looking for friendship, activities, fun and - of course - lunch! Our over 55's clubs meet every Tuesday, Wednesday and Friday from 10am to 2pm (come as often as you like). As well as enjoying lunches together all year round, attendees also enjoy playing bingo; games; quizzes; chair-based exercises, and guest speakers. Our Monday Club caters for the under 55's with a wide variety of activities including social activities, arts and crafts, bingo and photography. There is a small charge of £5 for the sessions and individuals are required to attend using their own transport.

Our Galleries Community Café offers a wide range of hot and cold meals, snacks and drinks in a warm and friendly atmosphere. The Café is open to members of the public, visitors to the Centre and Support Groups. The CIL and MGLC's well-equipped meeting and training rooms are also available for hire, with catering facilities available.

For further information on any of these services, including how you can be involved as a WDP Volunteer, please contact the team on 01925 240064.

New initiatives for 2018

- Our Scoota Safe Campaign promotes road safety to mobility scooter users and prevent accidents and injury whilst using equipment.
- The international Phoenix project, launched in 2017 has already seen over 1300 pieces of mobility equipment (otherwise destined for landfill) sent to people in need in Egypt, Thailand, Syria and refugees in Greece.
- Our new Mobility and Independent Living Service in Warrington Hospital, offers information, advice and guidance on a wide range of disability issues, as well as daily living aids to assist with independent living.
- The Smart Flat, based at Beaufort Street showcases the latest gadgets in adaptive technology.

Our Team

Affectionately known as 'Team WDP', our team of almost 50 staff and over 200 volunteers work tirelessly to enhance the lives of disabled people, their families, friends and carers by promoting and enabling independent living.

Our volunteers remain at the heart of everything that we do and continue to make a difference to peoples' lives, reduce isolation and promote hope and opportunity to those in need. With over 90% of the team having direct experience of living with a disability, real life experiences are used to help and support others.

Over 80% of staff members began their WDP journey as a volunteer. For many of the team this is a huge testament to their commitment and dedication to learn and develop their skills to gain employment, some through apprenticeship opportunities. In addition, WDP staff members lead by example and are committed to giving additional voluntary hours on a regular basis.

During 2018, five WDP volunteers (Graham, Debbie, Sean, Lee and Julie) gained employment within our services. Through their voluntary roles, they gained additional skills and confidence to enable them to make this transition. An additional two WDP supporters (Essta and Julie) also secured employment.

Two of our apprentices, Laura and Ellie both completed their apprenticeship programmes in Social Media and Communications and Accounting respectively, and continue to develop their skills as full-time staff members within our teams. The whole team are very proud of their achievements.

Family and Friends test results showed that over 98% of our clients would recommend our services to their families and friends

'WDP Team Members, Janis and Dave Williams were officially invited to attend the Royal Wedding of Prince Harry and Meghan Markle'

'Graham and Debbie, two of our volunteers who were successful in gaining employment during 2018'

"I love volunteering it makes me proud to achieve things I may not had the opportunity to before"
WDP Volunteer, December 2018

Our team supports over 400 Direct Payment Clients to employ over 500 Personal Assistants within Warrington

"WDP is important to the disabled users of services, and their families, in part due to the user-led nature of the organisation and its' ability to draw on peer support"
University of Leeds, Centre for Disability Research

Warrington Disability Partnership

Disability Trading Company – owned and operated by WDP

The Disability Trading Company (DTC) is WDP's social enterprise / trading arm. Launched in 2010, DTC was built on two decades of WDP's experience. Together we have developed a national reputation for our unique user led philosophy and willingness to work in partnership. Offering a wide range of high-quality mobility and independent living products at competitive prices. From basic daily living products to bespoke seating, stair-lifts and access ramps, mobility scooters, powered and manual wheelchairs, rise and recline chairs, adjustable beds, ramps, bath seats and much more.

Backed up by an extensive range of support services, and for visitors to our Warrington Centre for Independent Living they will find a purpose built workshop and service centre, a mobility test and training track and our Galleries Café.

Our retail services are located at the Centre for Independent Living (CIL), the Lifehouse at Brunswick Dock, Liverpool, our Mobility and Independent Living Stores in the Golden Square and another at Warrington Hospital. We offer a wide range of pre-owned products from our Shopmobility Scheme also located in the Golden Square. A range of assistive technology solutions is available on sale at our Smart Flat located adjacent to the CIL.

Thanks to our partners "St Mark Universal Copts Care", our Phoenix Project continued to refurbish and ship wheelchairs and other mobility aids to charities in Egypt, Thailand and Syria.

During 2018, we were proud to have secured a Motability dealership, which allows people to use their enhanced mobility component of DLA or PIP to lease a power-chair or mobility scooter. We added interest free finance and three months free

insurance offers, and we extended our product range with several new dealerships including Quantum Power-chairs. We strengthened our relationship with the British Health Trades Association, underlining our belief in their "Buy with Confidence" scheme that is accredited to Trading Standards. During the past year we were honoured to have been shortlisted in a number of local and national awards including the Warrington Business Awards and AMP Magazine Awards.

What makes DTC unique?

- Our service was founded on the philosophy of Information, Advice and Guidance, not just sales.
- We do not have any private shareholders, 100% of profits go to support the work of Warrington Disability Partnership.
- None of our staff receives incentive bonuses.
- We only supply products that we believe to be right for our customer's needs, not simply those that we will earn us most money.
- We do not sell products to customers if we feel that they cannot operate it safely.
- We never artificially inflate prices just so that we can discount them. We always charge a fair and realistic price.
- Hundreds of volunteer hours contribute to reducing our overheads, which result in savings that are passed on to our customers.
- We use the life experience of our staff, volunteers and customers to develop the services and ensure we offer the right products.

Disability Awareness Day 2018

DAD 27 - Sunday, 15th July, 2018

Over 23,000 people attended this year's annual Disability Awareness Day (DAD27) recognised internationally as the largest annual voluntary-led pan disability Independent Living Exhibition in the world. The event, held at Walton Gardens attracted over 250 exhibitors showcasing a wide range of equipment, mobility products, transport solutions, employment support, education, health and social care, leisure activities, plus over 100 support groups. The aim of the event, as always, was to promote all aspects of independent living through the promotion of what disabled people "can do".

DAD27 engaged a wide range of the community, with a further 2,000 people involved in activities starting the week prior to the big day. These included:

- Positive Action Disability Awareness Event attended by students from local schools and colleges.
- Frogstastic Party for people who have a Learning Disability.
- Northwest Boroughs Healthcare NHS Foundation Trust Annual Involvement Event
- Health & Well-Being for Mental Health Service Users event.
- Ella's Summertime Special.
- Warrington Together Health and Wellbeing Summit
- Party in the Park for disabled children and young disabled people
- Evening of Cultural Diversity
- DAD Mega Quiz Night

Many of this year's exhibitors were housed in a huge tented village of marquees, supported by a 'have-a-go' sports zone including scuba diving in the on-site pool, a Centre Arena and a huge Performing Arts Marquee. Crowds were entertained with fantastic line-ups of talent including some of the UK's leading disabled artists, Display Teams, Birds of Prey and the Katumba Samba Band.

Once again, DAD27 continued the international theme: the MESSAGE Institute based in Jaipur India ran their 10th

Annual Disability Awareness Day, 'Closing the Gap', based in Cameroon held their own versions of DAD and the Centre for Disability and Rehabilitation in Uganda held a four-day Expo. DAD Egypt - St Mark's Universal Copt Care, DAD Thailand - 1 Step 2 Step and DAD London - London Borough of Redbridge, also held awareness raising events.

On behalf of the DAD Management Team, we would like to thank everyone who supported this year's event; sponsors, supporters, DAD Stewards, exhibitors and visitors. In particular, our joint principal sponsors St Georges' Healthcare Group and St Marks Universal Copts Care.

#DAD2018 trended in 2nd place locally, only second to the World Cup Final

Disability Awareness Day 2019 (DAD28) will be held on Sunday 14th July

DAD 2018 SPONSORED BY

New and extended partnerships in 2018

Working to the philosophy of “Together Everyone Achieves More”, we teamed up with several new partners and extended our work with several other to develop a number of new life changing services.

Warrington Hospital – Information, Advice, Guidance and Sales

In Partnership with Warrington and Halton Hospitals NHS Foundation Trust, we opened a unit located within the Fracture Clinic at the rear of the hospital. Open Monday to Friday from 9am to 4pm, trained staff are on hand to provide information, advice and guidance on disability matters, and sale of mobility and independent living products. We are currently developing a range of hire products based on the short-term needs of patients discharged from the hospital.

We could not have launched this new service without the help of the hospitals senior managers and the financial support of ten local businesses including; Cheshire Telecom, BAS (NW), Dunky’s Day Nursery, Foden Estates, Mech Tech Automotive, Central Self Drive, The Print Company, Toni & Guy, Hoppy Trust and Health Service Money Claims.

Smart Flat – Assistive Technology

In Partnership with Warrington Borough Council and with financial support from the Better Care Fund, we opened the Smart Flat, which showcases a wide range of the latest Assistive Technology that can help to improve or maintain independent living.

The Smart Flat has a display bedroom, living room and kitchen. It features products including voice and switch operated openers/closers for doors, windows, blinds and curtains, the Amazon Echo Show communication and information device, movement sensors, talking glasses, mugs, cups and microwave. Joy for all Cat, facial recognition security cameras, talking clocks, medication dispensers and reminders, along with many more innovative products to help those with physical and sensory disabilities and dementia.

Located in the Marjorie Griffiths Learning Centre, in the grounds of our Centre for Independent Living, it is open Monday to Friday from 10am to 2pm, appointments are necessary.

Expanse Learning – Education and Employment Support for Young Disabled People

Building on the success of our award-winning Employment Team we initially planned to develop an academy style service aimed at offering education and employment support to young disabled people. After a number of discussions with the senior management team at Leigh based Expanse Learning, we decided that they had the skills and experience that would fast track and further enhance the service we planned.

Expanse’s new service, which is located in the Marjorie Griffiths Learning Centre, in the grounds of our Centre for Independent Living, is already taking referrals from Warrington Borough Council. It offers education and employment support to disabled young people aged 16 to 25 as part of their Supported Internships Programme.

The new service builds on joint work that started at last year’s Disability Awareness Day, which saw Expanse joining us as a corporate sponsor. We are currently discussing other opportunities to develop new services.

Working in Partnership

A Big Thank You

Warrington Disability Partnership would like to thank everyone that has supported, donated and worked alongside us during the past 12 months - including:
